

Congratulations on your recent engagement and thank you for your interest in Millhome Supper Club. We are pleased to introduce to you The Curly Willow Floral and Design, a division of Millhome Supper Club, offered exclusively to our guests to enhance their receptions at our club. From simple centerpieces to extravagant floral designs we welcome your visions, and share some of our own, to create a lasting impression.

We started The Curly Willow as we noticed many decorators leaving the burden of clean-up on the wedding party at the conclusion of the event. Being in the service industry, we did not understand why it would become the responsibility of the wedding guests to clean up after their event. In many cases, the centerpieces had to be carefully re-packaged and driven back to the decorator's place of business early the following week. When choosing The Curly Willow you can leave the decorating, and the clean up, to us. We find it important that you enjoy your time before, during and at the conclusion of your event.

What began as some mirrored centerpieces has grown to an inventory of hundreds of vases, various colored table runners and white, ivory, and black chair covers. We own everything we offer therefore there is never a question if the product is going to show up or be in stock for your special day. In addition, if there is something we do not currently have in inventory, but have access to it; more often than not we will purchase it so that we can offer it to you.

We arrived in the floral side of the business through repeated requests to accentuate our centerpieces with some fresh floral designs. We can accommodate your floral needs from start to finish starting with the ceremony through to the reception with our full service floral department. While you may have a florist in mind, we are more than happy to help you with any decorations you may still need.

You are more than welcome to use a different decorating service, decorate yourself, or leave the room as it is. Our service is available and offered discretely to each event held at Millhome. We do not push this on anyone and are not going to be offended if you decorate yourself or choose someone else. We offer this service as a service, not as a requirement when booking our hall.

To set up a consultation and see some pictures of past events held at Millhome please contact Mona Jaeger at the supper club, (920)894-7414, her business cell phone, (920-286-0338), or email us at millhomeclub@aol.com.

You are more than welcome to share some of your own ideas so that we can begin to get a vision of what you want for your special day.
